Part II: Nomination information – to be completed by the nominator

By responding to the following, describe what makes this nominee an outstanding science, technology, engineering or mathematics (STEM) teacher.

- 1) Please describe how the nominee has demonstrated an outstanding commitment to improving student engagement with STEM subjects and activities over the last year and his/her role in STEM activities. [200 words max.]
2. Tell us how the nominee has created access to information and guidance about STEM subjects and careers? [200 words max.]
3. Outline how the nominee has used innovation and resources creatively to improve the opportunities for students to be inspired by STEM subjects. [200 words max.]

4. Tell us how the nominee has used his/her role to encourage and achieve engagement within the school and wider education community.[200 words max.]

5. (Optional) Please provide any additional information that shows the impact that the nominee has had. [200 words max.]

Privacy Statement:

Dart Enterprises Ltd. takes your privacy very seriously and will only use the personal information provided to administer the Dart Minds Inspired Excellence in Teaching STEM Award. The full details of how we use the personal information you provide to us, and the steps we take to protect your privacy, can be found on our website <https://mindsinspired.ky/privacy-policy>.

Next Steps:

Thank you for nominating a teacher for the DART Minds Inspired Excellence in Teaching STEM Award. Once you have submitted this form, you will receive a confirmation via email and your nominee will be notified of their nomination. All nominees will be contacted and may be asked for additional information and supporting materials.
